However, there are certain factors that you must consider before making the big investment. Even more important than where you will move to is where you will live as a mobile home is built to be moved. The location of the mobile home is a big factor in determining the quality and safety of your home. If you decide to move to a mobile home park that is a good distance away from your home, you run the risk of taking on jobs that take you out of your home a lot of time. As you can imagine, the more time that you spend
